Form 2

Rule 4.5

Diocesan Advisory Committee Notification of Advice

This notification constitutes advice only and does not give you permission to carry out the works or other proposals to which it relates. A faculty must be obtained from the Consistory Court before the works or proposals may lawfully be carried out.

The Committee should delete any parts of the form that are not applicable when completing it.

In the diocese of Southwark

Parish of Bletchingley

Church of Bletchingley: St Mary

The church is listed under the Planning (Listed Buildings and Conservation Areas) Act 1990.

The listing is grade I

In the exercise of the delegated authority of the Diocesan Advisory Committee on 16/08/2024

The following works or other proposals were considered:

Presently, we have a legilium-style lectern that is very high for some of our preachers. Their heights vary from 6'2" to 5'0" we cannot adjust the legilium.

To remedy this, we desire to have an adjustable lectern made to match our choir stalls in design.

Documentation uploaded includes:

1. Statement of Needs
2. Sample photo of lectern
3. Location of lectern
4. DAC letter to parish
5. Parish's response to DAC
6. Photo of the eagle lectern
7. Combined photos (of current wooden lectern & choir stalls)
8. Drawings of lectern from the carpenter

The works or proposals should be described in the petition for a faculty and in the public notice in the same way as they are described here.

The Committee recommends the works or proposals for approval by the court [subject to the following provisos]:

1. The oak should be stained to match the adjacent woodwork and be oiled or waxed rather than a lacquer
2. Work to be undertaken/completed to the reasonable satisfaction of the church's Quinquennial Inspector

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

In the opinion of the Committee rule 9.9 of the Faculty Jurisdiction Rules (publication of notice on diocesan website) does not apply.

The works or proposals involve matters to which net zero guidance applies (that is, guidance issued by the Church Buildings Council under section 55 of the Dioceses, Pastoral and Mission Measure 2007 on reducing carbon emissions). In the opinion of the Committee, your explanation of how, in formulating the works or proposals, you have had due regard to net zero guidance is adequate.

In the opinion of the Committee the work or part of the work proposed is likely to affect -
